UNITS OF STUDY

These units of competency from the FNS Financial Services Training Package meet industry requirements for individuals who apply ethical frameworks and principles in order to make and act on decisions in workplace contexts.

The Business Ethics and Conduct Skillset requires students to complete 2 units of competency for accreditation.

FNSINC513

Identify and apply complex ethical decision making to workplace situations

FNSINC514

Apply ethical frameworks and principles to make and act upon decisions

This skill set equips you with the essential knowledge and skills to navigate ethical challenges in business environments. This course focuses on fostering integrity, professionalism, and accountability, empowering students to make informed decisions and uphold ethical standards in their careers. Perfect for those seeking to enhance their credibility and build trust in the workplace, this skill set is a valuable addition to any professional toolkit.

The units of competency in this skill set provide credit towards a range of FNS Financial Services qualifications, and other qualifications that allow for selection of these units.

ESSENTIAL INFORMATION

How is the course organized and taught?

This course is self paced which means you can complete in your own time, however you cannot exceed the maximum time frame allowed. Courses are delivered online.

What qualifications or prior knowledge are needed to enroll?

No formal prerequisites are required to join this course.

What materials or resources do students need to provide?

Each student must have access to a computer and a stable internet connection. Additionally, proficiency in Microsoft Office programs, including Word, Excel, and PowerPoint, is essential.

What learning materials are included?

Once you have successfully enrolled in the course you will have access to the following resources for each unit of study: Tutorials covering key concepts; training manuals; reference documents such as case studies, exercises, examples and additional reading.

Will we have professional recognition after this course

Yes, completing the FNSSS00013 Business Ethics and Conduct Skill Set demonstrates your commitment to maintaining high ethical standards in the workplace, which is highly valued by employers and industry bodies. While the skill set itself may not directly lead to formal registration, it enhances your professional reputation and credibility, making you a trusted and reliable professional in your field.

Does the course offer recognition for prior learning or experience?

Yes, the DEVS assessment framework is designed to recognize and accommodate existing skills and qualifications. If you have prior knowledge or certifications, you may apply for Recognition of Prior Learning (RPL) or Credit Transfer (CT). This process involves an evaluation of informal and non-formal learning to assess your alignment with the required course outcomes. For additional information, including details on associated fees, we invite you to reach out to our enrollment team.

PAYMENT DETAILS

We believe education should be within everyone's reach, which is why we strive to make it both affordable and accessible. To support your journey, we provide flexible, interest-free payment plans designed to help you start sooner. Here are the three payment options you can choose from:

- Payment plan - Payment plans are available. All payment plans start with an initial payment of \$500 upfront, which is a non-refundable payment, followed by equal monthly payments based on payment plan duration.
- Finance option - Discuss with enrollment officer.
- Direct debit option - Easy payments available.
