# COURSE OVERVIEW

This qualification reflects accounting job roles in financial services and other industries, including tax agents, accounts payable and accounts receivable officers, payroll service providers, and employees performing a range of accounting tasks for organisations in a range of industries. Individuals in these roles apply solutions to a range of often complex problems, and analyse and evaluate information from a variety of sources. They apply initiative to plan, coordinate and evaluate their own work and provide guidance to others within defined guidelines.

# PRACTICAL TRAINING

At DEVS College, we provide our accounting students with the specialized skills and expertise required to thrive in today's dynamic accounting industry. Our comprehensive curriculum includes practical training in Xero and MYOB, two of the most widely utilized accounting software platforms, ensuring graduates develop industry-relevant competencies for real-world financial management and reporting.

## MYOB

Through simulated business scenarios, students enhance their problem-solving abilities and technical expertise, preparing them to navigate real-world accounting challenges with confidence.

## XERO

Students develop proficiency in bookkeeping, payroll, invoicing, and financial reporting using Xero and MYOB, replicating real-world accounting processes.

Mastering Xero and MYOB, two of the most widely used accounting platforms, equips students with highly sought-after skills, giving them a competitive advantage in the job market.

Our experienced trainers provide comprehensive, step-by-step instruction, ensuring students develop a strong foundation in accounting software and practical financial management.

## ESSENTIAL INFORMATION

### How is the course organized and taught?

This course is self paced which means you can complete in your own time, however you cannot exceed the maximum time frame allowed. Courses are delivered online.

### What qualifications or prior knowledge are needed to enroll?

Prior to commencing this qualification an individual must have completed the following units of competency (or equivalent).

- FNSACC321 Process financial transactions and extract interim reports
- FNSACC322 Administer subsidiary accounts and ledgers
- FNSACC418 Work effectively in the accounting and bookkeeping industry
- FNSACC421 Prepare financial reports (this unit is the equivalent version of BSBFIA401 Prepare financial reports).

### What materials or resources do students need to provide?

Each student must have access to a computer and a stable internet connection. Additionally, proficiency in Microsoft Office programs, including Word, Excel, and PowerPoint, is essential. Depending on the course requirements, access to specialized software such as MYOB, Xero, or similar tools may also be necessary.

### What learning materials are included?

Once you have successfully enrolled in the course you will have access to the following resources for each unit of study: Tutorials covering key concepts; training manuals; reference documents such as case studies, exercises, examples and additional reading.

### Does the course offer recognition for prior learning or experience?

Yes, the DEVs assessment framework is designed to recognize and accommodate existing skills and qualifications. If you have prior knowledge or certifications, you may apply for Recognition of Prior Learning (RPL) or Credit Transfer (CT). This process involves an evaluation of informal and non-formal learning to assess your alignment with the required course outcomes. For additional information, including details on associated fees, we invite you to reach out to our enrollment team.

# PAYMENT **DETAILS**

We believe education should be within everyone's reach, which is why we strive to make it both affordable and accessible. To support your journey, we provide flexible, interest-free payment plans designed to help you start sooner. Here are the three payment options you can choose from:

- Payment plan - Payment plans are available. All payment plans start with an initial payment of \$500 upfront, which is a non-refundable payment, followed by equal monthly payments based on payment plan duration.
- Finance option - Discuss with enrollment officer.
- Direct debit option - Easy payments available.
